Discussion Questions – Jericho's Walls

Read 5:13-6:27

- What kind of a city was Jericho?
- Could they walk right in and take over the city?
- Why not?
- What instructions did God give Joshua and his people? (Joshua 6:3-5)
- Why do you think they were told to just walk around the city?
- What weapons were they going to use?
- What was God teaching them?
- What were they to do with the things they found in the city? (Josh. 6:18-19)
- What happened on the seventh day? (Josh.6:20)
- What lessons did God want the children of Israel to learn from conquering Jericho?
- How realistic do you think those instructions were?
- Would you have believed the wall would fall down just from walking around it and shouting?
- Who was saved from destruction? (Josh. 6:17, 23-25)
- Did the spies keep their word to Rahab?
- Why is it important to keep your promises?
- Archaeologists believe they have found Jericho and that the walls of the city fell outward in a circle. What does that tell us about the validity of this story?
