Discussion Questions – Tower of Babel

Read Genesis 11:1-9

- Why do you think the earth was of one language?
- What did the people want to build? Why?
- Do you know any cities in the world that are trying to build the tallest buildings?
- What was this tower to represent?
- Do you think this was a wise thing to do?
- What were the motives of those building the tower?
- What happened?
- Is this just a story to explain how we got different languages and cultures?
- Why do you think the story says "Lord" and not "God"?
- What was the tower called?
- What word does that sound like in the English language today? Does a personal ego lead to babbling?
- Why was this story included in the Bible?
