

Entering the Kingdom

Follow the line for each letter, and where it ends on the right, write the letter in the blank to discover what Jesus says we must do to enter the kingdom of heaven. (Matthew 7:21)

The maze puzzle consists of a central area with black lines forming a complex path. On the left side, there are eight large letters, each with a small illustration of a child. On the right side, there are eight large letters, each with a small illustration of a child. Colored lines connect the letters on the left to the letters on the right. The connections are: S (red) to S (red), W (purple) to W (purple), O (green) to O (green), L (yellow) to L (yellow), G (blue) to G (blue), D (orange) to D (orange), L (pink) to L (pink), and I (blue) to L (pink).
