

# Pharaoh and the Ten Plagues

God tried to convince Pharaoh to let the Israelites leave Egypt by causing ten plagues.

To learn about the plagues, fill in the blank with the name of the picture next to it.

When  refused to let the Children of Israel leave ,

Moses turned the Nile into . When that didn't work, Moses sent hundreds of

 into the city. Still  didn't listen, so Moses sent  to cover the  and .

The  didn't work, so Moses sent  to fill the

 of Egyptians.  didn't listen, so Moses sent a plague to kill the

 of the Egyptians. That didn't work either. Next, Moses took ashes

from a  and threw them in the air to give  boils.

 didn't listen again. So Moses made  and 

fall from the sky. Next the plague of  blew in. The ninth plague covered the Egyptians in

. Lastly, because  refused to listen, Moses told

the Egyptians that their first born  would not live. Yet, still 

didn't listen and refused to let the Israelites leave Egypt.
