

Tares and Wheat Comic

Jesus once told his followers the parable of the Tares and the Wheat.
Read that parable in Matthew 13:24-30. Illustrate the verses in the boxes below.

<p>Jesus began to tell his disciples the parable of the tares and the wheat...</p>	<p>An enemy came and sowed tares into a man's field of good seed.</p>	<p>The seeds began to sprout - both tares and wheat together.</p>
<p>The servants asked the man if they should gather up the tares. The man said no because that would also uproot the wheat. He also said...</p>	<p>...at the time of harvest the reapers will gather the tares together to burn them...</p>	<p>...and gather the wheat together in his barn.</p>
