

The Watchful Servants

Read the parable of the Watchful Servants in Luke 12: 35-38 and answer the questions below.

Write the two things
Luke 12:35 instructs
us to do:

1. Be dressed
2. Keep the lights on

What do verses in Luke 12:36-38
say servants should do?

Servants should wait for their
masters to return home.

When the master comes home the
servants should take care of him.

What are the rewards for those who watch? (See verse 37.)

They will sit down while the master serves them.

Write some ways you can be watchful and ready
for thoughts from God.
