

WHICH ROUTE FOR DAVID?

David is 'on the run' from King Saul. Starting from **A** (Gibeon), he wants to visit each location, eventually returning back to **A**. He plans to take a lengthy rest at **F** (Adullam) - and has arranged for supplies to be in place at **B** (Gilgal) so that he and his men can pick them up on the way through to Adullam. The problem is that David doesn't want to pass through any place more than once on his tour. Which route should he take?
