

You Cannot Serve Two Masters

Jesus instructs us that we cannot serve two masters, and he gives the example that we cannot serve God and money (Matthew 6:24). But there are many things we often make more important than God, like toys, school, sports.

The Bible characters below decided to make God first; so they made sacrifices to serve only God and help others. The shapes below contain the Bible character(s) and how they served God. Find the matching shapes and color the pair.
